Test policy: Tests must be taken on the assigned dates. Except in cases of medical emergency, make-up exams are not permitted without prior approval from the instructor.

7. **INCOMPLETE POLICY:**

All course work is due on the dates assigned.

A grade of incomplete will only be awarded to students who cannot physically complete their course work by the last day of the semester due to an avoidable situation such as a serious illness. In such cases, students must provide valid evidence of their condition. After a semester has ended it is no longer possible to request an incomplete. Incompletes will not be granted simply because of poor time management. Students who assume that an incomplete will be issued because they failed to finish their course work by the end of the semester will automatically receive a grade of F.

Incompletes must first be approved by the Academic Affairs office. To apply for an incomplete, students must fill out an incomplete-grade-request form and submit it to the office by December 2, 2011. After receiving approval from the office, the student must then obtain approval from his or her instructor.

8. **ATTENDANCE POLICY:** Attendance is vital as class participation is worth 30 to 40 % of the student's grade.
9. **ACADEMIC INTEGRITY:** Plagiarism and cheating are unacceptable. Plagiarism is defined as the use of someone else’s ideas, arguments or other original material without acknowledging the source.

10. **COURSE PRAYER SUBJECTS:**

1) That each student would consider God's plan for every persons welfare.

2) Pray that each student would recognize every person has human rights re: their health and welfare.

3) Pray that each student would keep their own standards high as to become an example to the people they will serve in the future.
