A. Mission Statement

1. Bethesda University

Mission of the Bethesda University

Bethesda University is a Christ-centered community of higher education preparing Korean/English speaking men and women with professional competence, academic excellence, and spiritual integrity to be servant leaders in the Church, community, and global society.

2. Bethesda University General Education Mission Statement

The Mission of General Education at Bethesda University is to facilitate the acquisition and integration of knowledge, abilities, ethics and spirituality in order to form a foundation for lifelong learning through the interdisciplinary study.

B. Course's Academic Level and Place in Curriculum:

This is one of general education courses for all undergraduate students. This course may be taken at anytime. But, it fits best if it is taken at the first stage of your course of study.

C. Course Description

Knowledge of both bible and science is essential to equip spiritual integrity. To confirm the biblical truth, evidence such as rock layers, fossils, coals, mountains, rivers, and the earth itself will be reviewed by true science, sound logic, and by both secular and biblical worldviews. The lectures are given in Korean.
