J. Course Policies

1. Attendance:

- Because you must be present for listening and speaking activities to gain proficiency from this course, students must attend every class. There will be no free unexcused absences. Every unexcused absence will result in a participation grade of 0 for that day.
- It is very important to be on time. If you are late, you will miss important instruction and you will negatively impact your fellow students. Each day of attendance and participation will count for 3 points. If you are late more than 5 minutes, you will lose 1 point. If you do not participate you will lose 1 point.

- Excused absences will not automatically be given for common sicknesses such as headache, stomachache, cold or flu. If a student is absent with a common sickness they must complete extra assignments given by the instructor to make up for what they missed in class. Then their absence can be excused.
- No excused absences will be given for any appointment, such as a driving test.
- Missing one half of a class session will be considered an unexcused absence.
- Any student who has more than 4 unexcused absences will automatically receive a grade of "F" for the class. Therefore, students who have 2 unexcused absences must talk to Admissions.
- Excused absences will only be given for medical or family emergencies with official documentation.
- If you think you will not be in class, you must talk to the instructor in advance.

2. **Participation:**

- This class will be very interactive and will require you to speak a lot in class, with other students and the teacher. I hope you can feel comfortable expressing yourself without worrying about making mistakes. You will receive a participation grade (30% of your grade) based on your effort and involvement in class.
- This is an English Only class, which means that anyone who regularly speaks Korean, or any other language, will receive a lower participation grade.
- Participation will increase your participation grade and lack of participation will lower your participation grade.
- You may not use your cell phone (or electronic device) during class. You may not answer your phone, send or receive text messages, play games, use the Internet or anything else.

3. **Deadlines:**

- Tests and quizzes must be taken on the assigned dates. No make-up tests or quizzes will be allowed without an excused absence. Homework and presentations must be completed by the due date. Late homework will be accepted at 50% credit. If you do not turn in an assignment your score will be 0 for that assignment. If you have any reason why you cannot complete an assignment, talk to the instructor in advance.
